GENERAL CATALOGUE

SETTECENTO
MANIFATTURA CERAMICA

IT

Dal 1969 _ Da oltre 50 anni Settecento progetta e produce superfici da pavimento e rivestimento con uno spirito di ricerca artigianale e con l'ambizione di creare prodotti che escano dalla gabbia del tempo e delle mode.

Made in Italy _ L'intero processo produttivo si svolge all'interno del nostro territorio, così come la ricerca e lo sviluppo, perché crediamo fortemente nel Made in Italy sia da un punto di vista imprenditoriale e produttivo che da un punto di vista creativo. Questo ci consente di portare con orgoglio su tutti i nostri prodotti il marchio "Ceramics of Italy" che garantisce i più alti standard qualitativi.

Indipendenza _ Settecento non è soltanto un marchio, ma un'impresa indipendente, libera di progettare e produrre i propri prodotti senza vincoli o compromessi dettati da logiche esterne.

Artigianalità _ La passione per il fare e l'amore per la materia ci spingono a lavorare in modo artigianale per creare superfici che restituiscano calore. Progettiamo partendo dal lavoro manuale per poter intervenire accuratamente sui dettagli. Il processo industriale è la fase in cui trasferiamo serialità e perfezione al prodotto.

EN

Since 1969 _ Settecento has been designing and manufacturing wall and floor surfaces for over 50 years. A continuous dedication of artisan research and the ambition to realize products unaffected by time and fashion is our pledge.

Made in Italy _ The entire production process, along with the whole research and product development, takes place in our territory, because we firmly believe in the Made in Italy in terms of both business activity and creativity. This allows us to proudly carry the "Ceramics of Italy" trademark on all our products, a true warranty of the best and highest quality standards.

Independence _ Settecento is not only a brand but an independent firm, free to design, create and manufacture its own products without compromises and outer obligations.

Craftsmanship _ Passion for work and love for materials are our drive for creating warm finishes with craftsmanship. We design surfaces starting from hand made skills in order to dedicate the utmost care and accuracy to details. The industrial process is implementing and refining the product's perfection with best quality standards.

Settecento Studio è un percorso aziendale di ricerca artigianale che propone superfici capaci di coniugare la cura del manufatto alla contemporaneità del prodotto industriale.

Coinvolgiamo i designer al fine di indagare il ruolo delle superfici ceramiche nel design contemporaneo.

Settecento Studio is a new division of Settecento based on handcraft research that offers surfaces that combine meticulous manufacture and contemporary industrial production.

We involve designers to affect our craft research in order to investigate the role of ceramic surfaces in contemporary design.

CERTIFICAZIONI

Certifications / Marquage / Zertifizierungen / Сертификаты

La marcatura CE è la certificazione di sicurezza del prodotto richiesta dall'Unione Europea, ed ha lo scopo di salvaguardare la salute delle persone e i beni nelle opere di costruzione. Il nuovo Regolamento UE N. 305/2011 è in vigore dal 1 luglio 2013. La novità più rilevante è l'introduzione della Dichiarazione di Prestazione (DOP, Declaration Of Performance) con la quale il fabbricante comunica i requisiti di sicurezza dei propri materiali. Le DOP di Ceramiche Settecento sono disponibili sul sito internet www.settecento.com

The CE mark is the Certification of product's safety required by EU and it is finalized to protect the people's health and the things in buildings construction. The new Regulation UE N. 305/2011 valid from the first of July 2013 introduces the Declaration Of Performance (DOP). The DOP declares the safety requirements of the manufacturer's materials. "Ceramiche Settecento Valtresinaro S.p.A." DOP are available on the website www.settecento.com

Le marquage CE est la certification du produit requis par l'Union européenne en matière de sécurité, et son but est de protéger la santé des personnes et des biens dans les travaux de construction. L'innovation la plus importante du règlement n° 305/2011 l'UE en vigueur depuis le 1er Juillet 2013, est l'introduction de la déclaration de performance (DOP, Declaration of performance) avec laquelle le fabricant communique les caractéristiques requises de ses propres matériaux. La DOP de SETTECENTO ceramiche est disponibles sur le site Web de la société: www.settecento.com

Die CE-Kennzeichnung ist die von der EU geforderte Zertifizierung fuer die Produktsicherheit und hat den Zweck, die Gesundheit des Menschen und die Gueter in der Bauphase zu schuetzen. Das Wichtigste der neuen EU - Regelung Nr. 305/2011, seit 01.07.2013 inkraftgetreten, ist die Einfuehrung der Leistungserklaerung DOP (Declaration of performance), wodurch der Hersteller die Sicherheitsanforderungen der eigenen Materialien mitteilt. Die DOP von Ceramiche Settecento sind auf der Homepage www.settecento.com verfuegbar.

Маркировка CE является сертификатом безопасности продукции, запрашиваемым Европейским Союзом с целью защиты здоровья людей и сохранности имущества при строительном-монтажных работах. Самым важным нововведением в регламентацию UE N. 305/2011 в силе с 1 июля 2013 года является введение Декларации Производительности (DOP, Declaration Of Performance) в которой производитель декларирует соответствие материалов с требованиями безопасности. DOP Ceramiche Settecento доступны на сайте www.settecento.com.

ITA • Condizioni generali di vendita

1) ACCETTAZIONE DA PARTE DELL’ACQUIRENTE DELLE CONDIZIONI GENERALI DI VENDITA

Queste Condizioni generali di Vendita saranno valide per ogni contratto della Ceramiche Settecento Valtresinaro S.p.A. (“Venditore”) per la vendita di merci o articoli (“Prodotti”) a qualsiasi soggetto che ha acquistato o concordato di acquistare Prodotti del Venditore (“Acquirente”) a meno che il Venditore abbia diversamente convenuto per iscritto. L’Acquirente al momento in cui inoltra un ordine dei Prodotti, accetta queste Condizioni generali di Vendita. Qualsiasi altro termine o condizione che possa essere predisposto in qualsiasi momento dall’Acquirente, sotto forma di ordine dell’Acquirente o in qualsiasi altra forma, sarà nullo e non valido e non avrà nessun effetto, anche se non verrà sollevata una esplicita obiezione allo stesso da parte del Venditore.

2) ACCETTAZIONE E CONFERMA DELL’ORDINE

Tutti gli ordini dell’Acquirente, ottenuti tramite un agente del Venditore o altrimenti, sono sottoposti all’approvazione del Venditore. Nessun ordine dell’Acquirente sarà vincolante per il Venditore, a meno che non sia accettato per iscritto dal Venditore, presso la sede del Venditore a Fiorano Modenese (Mo), con apposita Conferma d’Ordine firmata da un funzionario debitamente autorizzato a firmare per conto del Venditore, e con i limiti stabiliti in tale Conferma d’Ordine. Qualsiasi ordine dell’acquirente sarà vincolante per l’Acquirente a meno che e fino a quando non venga rifiutato per iscritto dal Venditore.

3) PREZZI

Salvo quanto diversamente concordato dal Venditore per iscritto, l’Acquirente pagherà al Venditore i Prodotti ai prezzi in vigore al momento della spedizione.I prezzi si intendono per consegna “Franco Fabbrica”, con esclusione delle spese di spedizione e di trasporto, delle tasse, dei dazi doganali e di qualsiasi altro onere.I prezzi possono, a discrezione del Venditore, essere aumentati, dopo l'accettazione dell'ordine da parte del Venditore, per riflettere aumenti dei costi delle materie prime, della manodopera, dei combustibili, ecc. Qualora l'aumento dei prezzi sia superiore al 20%, l'Acquirente potrà recedere dal contratto, notificando per iscritto al Venditore la sua volontà entro il termine perentorio di 10 giorni dal ricevimento dell'avviso di aumento dei prezzi, restando esclusa qualsiasi rivendicazione o pretesa di danni a suo favore.

4) SCONTI E ABBUONI

Salvo quanto diversamente concordato dal Venditore per iscritto, l’Acquirente non sarà autorizzato a ricevere sconti o abbuoni di alcun tipo. Nessun agente del Venditore è autorizzato a concedere sconti o abbuoni per conto del Venditore.

5) TEMPI DI CONSEGNA

I termini di consegna eventualmente specificati dal Venditore sono sempre puramente indicativi e in nessun caso potranno essere considerati decisivi. Il Venditore si riserva il diritto di cancellare, sospendere o ritardare, in tutto o in parte, qualsiasi ordine per esigenze o problemi di produzione o di consegna del Venditore, per ragioni di forza maggiore e per qualsiasi altro evento al di fuori del controllo del Venditore. Il Venditore si riserva anche il diritto di cessare la produzione di particolari Prodotti per esigenze o problemi di produzione o di mercato. L’Acquirente rinuncia a qualsiasi ed ogni rivendicazione per cancellazione di ordini o ritardi nella consegna dei Prodotti, ivi comprese, senza limitazioni, pretese per danni diretti, indiretti, accidentali, consequenziali o altri danni o compensazioni. Solo qualora tali ritardi siano superiori a 60 giorni l’Acquirente potrà recedere da contratto notificando per iscritto al Venditore la sua volontà, restando esclusa qualsiasi rivendicazione o pretesa di danni a suo favore.

6) RISCHIO DELLA PERDITA

Indipendentemente da qualsiasi altra condizione di vendita che possa venire indicata o dal fatto che le spese di spedizione e trasporto vengano pagate dal Venditore, tutti i rischi della perdita o di danni ai Prodotti passeranno all’ Acquirente al momento della consegna dei Prodotti da parte del Venditore ad un vettore e qualsiasi rivendicazione per perdite o danni potrà essere fatta dall’Acquirente solo nei confronti del vettore.

7) RISERVATO DOMINIO

Fino a quando il Venditore non avrà ottenuto dall’Acquirente il pagamento completo dei Prodotti, il Venditore mantiene il diritto di proprietà sui Prodotti stessi, secondo quanto previsto dall’articolo 1523 e seguenti del Codice Civile Italiano.

8) CONDIZIONI DI PAGAMENTO

L’Acquirente effettuerà il pagamento presso la sede del Venditore a Fiorano Modenese (Mo), entro i termini stabiliti nel contratto. Per nessun motivo l’Acquirente potrà ritardare o sospendere il pagamento, indipendentemente da qualsiasi rivendicazione, ivi compresa, senza limitazione, qualsiasi rivendicazione per pretesi difetti, carenze o irregolarità dei Prodotti, salva la facoltà di ripetere quanto possa dimostrare di avere indebitamente pagato. L'accettazione da parte del Venditore di qualsiasi assegno, tratta, pagherò o altro metodo, sarà salvo buon fine e non costituirà pagamento fino a quando il Venditore non avrà incassato l’intero importo in contanti. In caso di qualsiasi ritardo, anche parziale, di pagamento, il Venditore avrà il diritto di sospendere le consegne e potrà, a sua scelta, esigere il pagamento immediato di tutti gli importi dovuti dall’Acquirente o pretendere adeguate garanzie per il pagamento, oppure considerare risolto il contratto. In caso di ritardo nel pagamento l’Acquirente dovrà pagare al Venditore gli interessi, per l’importo non pagato, dalla data di scadenza alla data di effettivo pagamento, al tasso del 5% al di sopra del Tasso Ufficiale della Banca d’Italia durante tale periodo o al tasso massimo ammesso per legge, se inferiore. Indipendentemente da qualsiasi diverso accordo riguardo ai pagamenti o condizioni di credito, il Venditore potrà, a propria discrezione in qualsiasi momento, richiedere il pagamento in contanti prima della spedizione di parte o di tutti i Prodotti. Se il Venditore ritiene che l’Acquirente non possa effettuare i pagamenti dovuti in base al contratto, il Venditore può, a propria discrezione, considerare risolto il contratto, fermo restando l’obbligo per l’Acquirente di pagare i Prodotti già spediti.

Nel caso in cui il Venditore intraprenda procedure per incassare qualsiasi importo dovuto dall’Acquirente, oppure per fare valere qualsiasi diritto derivante dal contratto, incluso il riservato dominio, l’Acquirente dovrà rimborsare al Venditore tutte le spese, competenze ed onorari del giudizio.

9) GARANZIE

Salvo quanto espressamente garantito per iscritto, il Venditore non concede nessuna garanzia, espressa o implicita, relativamente ai Prodotti, ivi compresa, senza limitazione, qualsiasi garanzia di commerciabilità o adeguatezza ad uno scopo particolare. Inoltre qualsiasi garanzia scritta fatta dal Venditore all’Acquirente non vale per Prodotti in seconda

o terza scelta o di stock, ma è limitata esclusivamente ai Prodotti di prima scelta e con una tolleranza del 5% circa. Al ricevimento dei Prodotti l’Acquirente dovrà sottoporli ad un accurato controllo, aprendo le scatole. L’Acquirente assume piena e completa responsabilità per verificare se i Prodotti sono conformi a quelli ordinati o sono adatti all’uso che l’Acquirente ne vuole fare, indipendentemente da qualsiasi suggerimento o istruzione dati dal Venditore relativamente ai Prodotti o al loro uso. In nessun caso il Venditore potrà dare, o si considererà avere dato, alcuna garanzia, espressa o implicita, relativamente alla corrispondenza o all’uniformità o a qualsiasi altro aspetto di colore, tonalità o sfumatura dei Prodotti, oppure relativamente alla conformità dei Prodotti al colore, tonalità o sfumature di qualsiasi campione. L’Acquirente riconosce che le variazioni di colore, tonalità e sfumatura, sono caratteristiche dei Prodotti e sono ad essi intrinseche ed inevitabili, e che i campioni del Venditore sono solo approssimativi dei Prodotti. In nessun caso il Venditore potrà dare, o si considererà avere dato, alcuna garanzia, espressa o implicita, in relazione a dichiarazioni, descrizioni o illustrazioni contenute in qualsiasi opuscolo o documentazione.

10) RECLAMI

Qualsiasi reclamo o contestazione di qualsiasi tipo dell’Acquirente, ivi compresi, senza limitazioni, reclami per difetti dei prodotti, deve essere specifico e deve essere fatto per iscritto, con lettera raccomandata con ricevuta di ritorno spedita presso la sede del Venditore a Fiorano Modenese (Mo), entro e non oltre 8 giorni dalla data di ricevimento dei Prodotti contestati e, in ogni caso, prima dell’installazione. La mancata presentazione del reclamo nel modo e nei termini sopra indicati costituirà per l’Acquirente un’accettazione irrevocabile dei Prodotti e un’ammissione che i Prodotti sono completamente rispondenti alle specificazioni del contratto. L’Acquirente che abbia presentato reclamo nel modo e nei termini sopra indicati dovrà tenere fermi a disposizione del Venditore per ogni controllo tutti i Prodotti contestati. In ogni caso l’Acquirente non potrà restituire, senza una preventiva autorizzazione scritta dal Venditore, i Prodotti interessati. Ove siano accertati difetti il Venditore potrà a sua scelta, sostituire i Prodotti contestati oppure annullare o risolvere il contratto, in tutto o in parte, senza l’obbligo di sostituzione dei Prodotti.

L’Acquirente rinuncia a qualsiasi altra rivendicazione, ivi compresa, senza limitazioni, rivendicazioni per danni diretti, indiretti, accidentali, consequenziali o altri danni o compensazioni e al diritto di annullare o risolvere il contratto.

11) LEGGE APPLICABILE

Il contratto sarà governato secondo la legge della Repubblica Italiana.

12) COMPETENZA TERRITORIALE ESCLUSIVA

La definizione di ogni controversia che dovesse insorgere tra Ceramiche Settecento Valtresinaro S.p.a. e l’Acquirente in merito alla validità, all’interpretazione, all’esecuzione e alla risoluzione dei contratti regolati dalle presenti condizioni, sarà riservata alla competenza territoriale esclusiva del Foro di Modena.

13) MODIFICHE

Qualsiasi modifica al contratto, per essere valida, dovrà essere approvata per iscritto e firmata presso la sede del Venditore a Fiorano Modenese (Mo), da un funzionario debitamente autorizzato a firmare per conto del Venditore.

<p>Art. Art 13 D. lgs 196/2003 - TRATTAMENTO DEI DATI PERSONALI</p> <p>Ceramiche Settecento Valtresinaro S.p.a. nella persona del Legale rappresentante pro-tempore tratta i dati per finalità contrattuali e obblighi di legge. Il trattamento avverrà nel rispetto delle misure minime di sicurezza richieste dalla Legge sulla privacy. I suoi dati saranno utilizzati solo da personale incaricato al trattamento, comunicati a soggetti esterni solo per l’espletamento dei servizi necessari ad una corretta gestione dei rapporti contrattuali e previsti dagli obblighi di legge e non saranno diffusi. In qualsiasi momento Lei potrà esercitare i diritti di cui all’art.7 del D.Lgs. 196/03; in particolare Lei ha diritto di aggiornare, rettificare, integrare, cancellare e trasformare i dati in oggetto del trattamento contattando il Titolare del trattamento che è Ceramiche Settecento Valtresinaro S.p.a. con sede legale in via del Crociale n.21, (41042) Fiorano Modenese (Modena) mail info@settecento.com. L’informativa estesa può essere richiesta scrivendo a amm@settecento.com</p>

ENG • General conditions of sale

1) BUYER’S ACCEPTANCE OF SELLER’S CONDITIONS OF SALE

These General Conditions of Sale shall apply to every Contract of Settecento Valtresinaro S.p.a. (“Seller”) for the sale of goods or articles (“Merchandise”) to any person who has purchased or agreed to purchase Merchandise from Seller (“Buyer”), unless Seller otherwise specifically agrees in writing. By placing any order for Merchandise, the Buyer agrees to these General Conditions of Sale. Any other terms or conditions which may at any time be indicated by the Buyer, in the Buyer’s order from or otherwise shall be null and void and of no effect, even if not expressly objected to by Seller.

2) ACCEPTANCE AND CONFIRMATION OF ORDER

All orders of the Buyer, whether taken by any agent of Seller or otherwise, are subject to Seller’s approval. No order of the Buyer will be binding upon Seller unless accepted by Seller at Seller’s head office in Fiorano, Modena, Italy, on Seller’s form of Order Confirmation, signed by an officer or employee of seller duly authorized to sign on behalf of Seller, and then only as and to the extent set forth in such Order Confirmation.Every order of the Buyer will be binding on the Buyer unless and until is rejected in writing by Seller.

3) PRICES

Unless otherwise specifically agreed by Seller in writing, the Buyer will pay the prices of Seller for the Merchandise in effect at the time of shipment. All prices are for delivery ex factory, excluding transportation and shipping charges, taxes, fees and customs duties. Seller’s prices may, at Seller’s option, be increased, after Seller’s acceptance of the Buyer’s order, to reflect any increases in Seller’s raw materials, labor, fuel or other costs. If the price increase exceeds 20%, Buyer may recede from the Contract by giving prior notice to Seller in writing, strictly within 10 days from receiving the price increase notification, waiving any right to claim compensation for damages.

4) DISCOUNTS AND ALLOWANCES

Except as otherwise agreed by Seller in writing, the Buyer will not be entitled to any discount or allowance of any kind. No agent of Seller is authorized to agree to any such

discount or allowance on behalf of Seller.

5) DELIVERY TIME AND TERMS

Any delivery dates specified by Seller will be deemed to be estimates only. In no event is the time of delivery of the Merchandise of the essence. Seller reserves the right to cancel, suspend or delay, whole or in part, any orders due to any event in the nature of force majeure or beyond Seller’s control. Seller also reserves the right to discontinue particular Merchandise in response to production and market requirements and demands. The Buyer waives any and all claims and rights relating to any cancellation or delay in delivery of the Merchandise including, without limitation, any and all claims for or rights to direct, indirect, incidental, consequential or other damages or compensation. The Buyer is entitled to recede from the contract only in the event that these delays exceed 60 days, giving Seller notice in writing and waiving any right to claim compensation for damages.

6) RISK OF LOSS

Irrespective of the terms of sale which may be specified, and irrespective of whether the transportation or shipping charges are paid by Seller, all risk of loss or damage to the Merchandise shall pass to the Buyer upon delivery of the Merchandise by Seller to a carrier and any claim for loss or damage shall be made by the Buyer solely against the carrier.

7) TITLE RETENTION

Until Seller collect in full all amounts required to be paid by the Buyer for the Merchandise, in accordance with article 1523 of the Italian Civil Code.

8) PAYMENT TERMS

The Buyer shall make payment at Seller’s head office in Fiorano, Modena, Italy in accordance with the provisions of the Contract. For no reason may the Buyer delay or suspend the payment, notwithstanding any claim, including, without limitation, any claim for any alleged defect, fault or irregularity in the Merchandise, without prejudice to the right to claim any amounts that the letter can prove to have been unduly paid. Acceptance by Seller of any check, draft, promissory note or other instrument will not constitute payment until Seller has collected the full amount in cash. In the event of any delay in payment, even partial, Seller shall have the right to suspend deliveries and may, at its option require immediate payment of all sums owned by the Buyer, or guarantees or terminates the Contract. In the event Seller does not receive any payment by the due date, the Buyer shall pay to Seller interest on the unpaid amount, from the due date to the date payment is actually received by Seller, at a rate equal to five percent above the official rate of the Bank of Italy during such period or the highest rate permitted by law, whichever is less. Irrespective of any payment or credit terms specified or agreed to by Seller, Seller may, in its sole discretion, at any time, require payment in cash before shipment of any or all of the Merchandise. If Seller believes that the Buyer’s ability to make the payments required by the Contract is or may become impaired, Seller may, in its sole discretion, terminate the Contract, the Buyer remaining liable to pay for any Merchandise already shipped. In the event that the Seller takes proceedings to cash any sum due by Buyer or avails itself of any right pursuant to this contract, including title retention, Buyer must refund Seller of all express, charges and fees arising out of judgement.

9) WARRANTIES

Except for such express written warranties, Seller makes no warranty, express or implied, with respect to the merchandise, including, without limitation, any warranty of merchantability or fitness for any particular purpose. Moreover, any written warranty made by Seller to the Buyer does not apply to second or third quality merchandise or stock. Upon receipt of the Merchandise, Buyer must subject it to an accurate check by opening the boxes. The Buyer takes full and complete responsibility for ascertaining whether the Merchandise meets the requirements of or is suitable for the Buyer’s intended use, regardless of any suggestion or direction given by Seller with respect to the Merchandise or the use thereof. Under no circumstances does Seller make, or shall Seller be deemed to have made, any warranty, express or implied with respect to match or with respect to the uniformity or any other aspect of the colour, tone or shade of the Merchandise, or with respect to the conformity of the merchandise to the colour, tone or shade of any sample. The Buyer acknowledges that variations in colour, tone and shade are characteristics of the merchandise and are inherent and unavoidable, and that Seller’s samples are only approximations of the Merchandise and are only intended to give the buyer a general idea of the Merchandise. Under no circumstances does Seller make, or shall Seller be deemed to have made, any warranty, express or implied, by reason of any statement, description or illustration in any brochure or other literature.

10) CLAIMS

Any breach of warranty or other claim by the Buyer of any and every kind, including, without limitation, claims for defects, must be specific and must be made in a writing dispatched to Seller, by registered air mail, to Seller’s head office in Fiorano, Modena, Italy, return receipt requested, prior to the installation of the Merchandise and, in any event, not later than eight days from the date of receipt of the Merchandise with respect to which the claim is made. Failure to make any claim in such manner or within such time shall constitute an irrevocable acceptance of the Merchandise and an admission by the Buyer by the Merchandise fully complies with all the specifications of the Contract. Having made a claim in the manner and within the time mentioned, Buyer must keep the Merchandise with respect to which the claim is made at the disposal of Seller for any checks.No merchandise may be returned by the Buyer without the prior written authorization of Seller. In the event of any ascertained defects, Seller may, at its election, either replace the Merchandise affected or cancel or terminate the Contract, in whole or in part, without any obligation to replace any Merchandise. The Buyer waives any and all other claims, including, without limitation, any and all claims for or rights to direct, indirect, incidental, consequential, punitive or other compensation or damages, and any and all rights to terminate or cancel the Contract, in whole or in part.

11) APPLICABLE LAW

The Contract shall be governed by and construed in accordance with the law of Republic of Italy.

12) TERRITORIAL COMPETENCE - JURISDICTION

Should arise any litigation between Ceramiche Settecento Valtresinaro S.p.A. and the Buyer regarding the validity, interpretation, performance and cancellation of the contract agreed upon the present selling conditions, Modena Law Court will be the sole and exclusive competent one.

13) AMENDMENTS

Any amendment to be effective, must be in writing, signed by an officer or employee of

Seller at Seller’s head office in Fiorano, Modena, Italy, duly authorized to sign on behalf of Seller.

FRA • Conditions generales de vente

1) ACCEPTATION PAR L’ACHETEUR DES CONDITIONS GENERALES DE VENTE
Ces conditions générales de vente s’appliquent à chaque contrat de la Société Ceramiche Settecento Valtresinaro S.p.A. (Vendeur) pour la vente de marchandise ou d’articles (Produits) à toute personne ayant acheté ou convenu d’acheter des Produits du Vendeur (Acheteur), sauf indication différente du Vendeur convenue par écrit. Ces conditions générales de vente sont acceptées par l’Acheteur à partir du moment où il passe une commande de Produits. Toute autre clause ou condition pouvant être prédisposée à tout moment par l’Acheteur, sous forme de commande de l’Acheteur ou sous toute autre forme, sera nulle et invalide et n’aura aucun effet, même si le Vendeur n’aura soulevé aucune objection explicite à ce sujet.

2) ACCEPTATION ET CONFIRMATION DE LA COMMANDE

Toutes les commandes de l’Acheteur, passées à travers un agent du Vendeur ou sous une autre forme, sont soumises à l’acceptation du Vendeur. Aucune commande de l’Acheteur n’est contraignante pour le Vendeur, à moins qu’elle n’ait été acceptée par écrit par le Vendeur, auprès du siège social du Vendeur à Fiorano Modenese, Modena, Italie, par une confirmation de commande signée par un employé dûment autorisé à signer pour le compte du Vendeur, dans les limites établies dans cette confirmation de commande. Toute commande de l’Acheteur est contraignante pour l’Acheteur à moins que et jusqu’à ce qu’ elle ne soit refusée par écrit par le Vendeur.

3) PRIX

Sauf accord contraire convenu par écrit par le Vendeur, l’Acheteur paiera au Vendeur les Produits aux prix en vigueur au moment de l’expédition. Les prix s’entendent pour une livraison franco usine, à l’exclusion des frais d’expédition et de transport, des taxes, des droits de douanes et de tout autre frais. Les prix peuvent être augmentés à la discrétion du Vendeur, après l’acceptation de la commande par le Vendeur, pour répercuter les augmentations du coût des matières premières, de la main d’œuvre, du combustible, etc. Si l’augmentation des prix dépasse 20%, l’Acheteur aura la faculté de résilier le contrat, en notifiant par écrit au Vendeur son intention dans un délai préemptoire de 10 jours à partir de la réception de l’avis d’augmentation des prix, mais sans que cela lui donne le droit à prétendre à un dédommagement quelconqueen sa faveur.

4) ESCOMPTES ET REMISES

Sauf accord écrit différent convenu par le Vendeur, l’Acheteur n’est pas autorisé à bénéficier d’escomptes ou de remises quelconques. Aucun agent du Vendeur n’est autorisé à concéder des escomptes ou des remises pour le compte du Vendeur.

5) DELAIS DE LIVRAISON

Les délais de livraison spécifiés éventuellement par le Vendeur sont toujours purement indicatifs et ne pourront en aucun cas être considérés comme décisifs. Le Vendeur se réserve le droit d’effacer, suspendre ou retarder, complètement ou partiellement, n’importe quelle commande pour des exigences ou des problèmes de production ou de livraison du Vendeur, pour des raisons de force majeure ou pour tout autre événement indépendant de la volonté du Vendeur. Le Vendeur se réserve aussi le droit de cesser la production de Produits particuliers pour des exigences ou des problèmes de production ou de marché. L’Acheteur renonce à toute revendication pour annulation de commandes ou retards de livraison, y compris et sans limitations, des dédommagement pour dommages directs, indirects, accidentels, conséquents ou tout autre dommage ou compensation. Dans le seul cas où ces retards dépassent 60 jours, l’Acheteur aura la faculté de résilier le contrat, en notifiant par écrit au Vendeur son intention, mais sans que cela lui donne le droit à prétendre à un dédommagement quelconque en sa faveur.

6) RISQUE DE PERTE

Indépendamment de toute autre condition de vente qui pourrait être indiquée et du fait que les frais d’expédition et de transport soient payés par le Vendeur, tous les risques de la perte ou de dommages aux Produits seront à la charge de l’Acheteur au moment de la remise des Produits de la part du vendeur à une société de transport. L’Acheteur ne pourra s’adresser qu’à la société de transport pour toute revendication pour perte ou dommages.

7) PACTE DE PROPRIETE RESERVEE

Tant que le Vendeur n’aura pas obtenu de l’Acheteur le paiement total des Produits, les Produits demeurent la propriété du Vendeur conformément à l’article 1523 du Code Civilé Italien.

8) MODALITES DE PAIEMENT

L’Acheteur effectuera le paiement auprès du siège social du Vendeur à Fiorano Modenese, Modena, Italie, dans les délais établis dans le contrat. Pour aucun motif l’Acheteur ne pourra retarder on suspendre le paiement, indépendamment de toute revendication, y compris et sans limitation, toute revendication pour des prétendus défauts, carences ou irrégularités des produits, sauf la faculté de réclamer les sommes qu’il aurait indûment payé après en avoir apporté les preuves. L’acceptation par le Vendeur d’un titre de paiement (chèque, traite ou autre) s’effectuera sous réserve de bonne fin et ne constituera un paiement que lorsque le Vendeur en aura encaissé le montant entier comptant. En cas de retard de paiement, même partiel, le vendeur a la faculté de suspendre les livraison et pourra, au choix, exiger le paiement immédiat de toutes les sommes dues par l’Acheteur ou prétendre à des garanties adéquates pour le paiement. Il pourra aussi considérer le contrat comme résilié. En cas de retard de paiement, l’Acheteur devra payer au Vendeur les intérêts sur la somme non payée, de la date d’échéance à la date de paiement effectif, à un taux de 5% supérieur au Taux Officiel de la Banque d’Italie pendant cette période ou au taux maximal admis par la loi, s’il est inférieur. Indépendamment de tout accord différent concernant les paiements ou les conditions de crédit, le Vendeur pourra, selon sa propre discrétion et à tout moment, demander le paiement comptant avant l’expédition partielle ou complète des Produits. Si le Vendeur pense que l’Acheteur ne pourra pas effectuer les paiements dus sur la base du contrat, le Vendeur peut, selon sa propre discrétion, considérer le contrat comme résilié. L’Acheteur a l’obligation de payer

ITA • AVVERTENZE GENERALI - Informazioni, stuccatura, posa e pulizia

LAPPATURA

(Evoque, Lichen, Matiere, Park Avenue/Place Vendome/Regent Street, Reverse)

Per i prodotti lappati si consiglia una fuga minima di 2mm; si raccomanda la massima cautela nella movimentazione e nella posa delle piastrelle stesse per non danneggiame la superficie. Dopo la posa, immediatamente dopo la stuccatura, si raccomanda la pulizia delle piastrelle e si consiglia di proteggere le superfici fino alla conclusione dei lavori di cantiere. Per la pulizia si suggerisce l'utilizzo di prodotti a PH neutro senza abrasivi che potrebbero graffiare la superficie, dapprima testati preventivamente su una piccola porzione. I detergenti idonei sul mercato in genere riportano la descrizione “detergente per superfici delicate” e vengono utilizzati per marmi e pietre naturali levigate. È possibile utilizzare macchine lavapavimenti a vapore o scope a vapore.

SPOLVERO

(Lichen, Park Avenue/Place Vendome/Regent Street, Reverse)

Per i decori metallizzati è da considerarsi l'effetto “spolvero”. Alcune microparticelle delle metallescenze potrebbero essere non completamente fuse alla superficie. Le prime pulizie potrebbero quindi rilasciare alcune microparticelle metallizzate. Questo non compromette la natura del decoro.

VETRO IRREGOLARE/MOSAICO

(Musiva, Nättūra, Nordic Stone)

A seguito della speciale manifattura artigianale la superficie vetrosa ed il colore dei mosaici non sono mai perfettamente uniformi ed omogenei. Le piccole scalfitture o imperfezioni presenti su qualche tessera sono volutamente presenti e fanno parte della caratteristica del prodotto.

CRAQUELEE

(The Traditional Style)

Non sporcare la superficie delle piastrelle con materiali solidi o liquidi (es. pennarelli, inchiostro, ...) poiché le macchie potrebbero penetrare in profondità. Dopo la posa, prima di procedere alla stuccatura: attendere un giorno o due per stabilizzare al meglio il craquelé e sottoporre il materiale ad un trattamento protettivo con un prodotto OLEOIDROREPELLENTE (tipo FILA ES82), lasciandolo agire per diverse ore. Consigliamo il taglio a secco per ragioni di pulizia. È comunque raccomandata una pulizia immediata ed efficiente se si taglia ad acqua. Contestazioni dovute alla mancanza di attenzione durante la posa non possono essere accettate. Per pulizia usare detergenti neutri, non acidi (tipo FILACLEANER) o alcol etilico.

METALLIZZAZIONI

(Bamboo, Lichen, Musiva, Park Avenue/Place Vendome/Regent Street, Reverse, Vintage)

La manifattura di questo prodotto è stata realizzata con procedimenti artigianali e non industriali. Piccole imperfezioni, avallamenti ed increspature della superficie sono volutamente presenti costituendone specifica caratteristica del prodotto e ne testimoniano la speciale manifattura artigianale. Il fondo metallizzato, per la particolarità della lavorazione e degli smalti impiegati, può avere un effetto di forte stonalizzazione e ossidazione, caratteristica del prodotto; per la sua pulizia comportarsi come per una normale superficie in vetro usando alcol e carta. Avvertenza: per la pulizia utilizzare detergenti non aggressivi (no acidi).

MANIFATTURA ARTIGIANALE

(Antique, Brickart)

Piccole imperfezioni, avallamenti ed increspature della superficie sono volutamente presenti costituendo specifica caratteristica del prodotto e ne testimoniano la speciale manifattura artigianale.

SUPERFICIE IRREGOLARE

(Twiga, Koinè 4,5x18,6)

Dopo la posa, rimuovere eventuali residui di stucco utilizzando un pulitore specifico (es. Keranet, Litonet, ecc.), seguendo attentamente le istruzioni del produttore. In caso di sporco persistente, ripetere l'operazione.

AVVERTENZE GENERALI

AVVERTENZE GENERALI

AVVERTENZE GENERALI

ENG • GENERAL WARNINGS - Info, installation, care, maintenance, cleaning

POLISHED/SEMIPOLISHED

(Evoque, Lichen, Matiere, Park Avenue/Place Vendome/Regent Street, Reverse)

Installation: we recommend a minimum joint of 2 mm; please take the utmost caution when moving and laying the tiles in order to not scratch the surface. After laying, immediately after grouting, proceed in cleaning the tiles and protecting the surfaces until works have concluded on the building site. For cleaning, it is suggested a “PH neutral” base product and test them first on a little area; don't use acids or abrasives that could scratch or damage the surface. Suitable detergents on the market in general bear the description “detergent for delicate surfaces” and are used for marble and natural polished stone. You can use floor steam washer machines or a steam brush.

SPOLVERO

SPOLVERO

(Lichen, Park Avenue/Place Vendome/Regent Street, Reverse)

On the 3rd firing metallic decors some metal microparticles might not be fully fused to the surface. During the first cleanings some particles might be removed from the surface but this is considered a feature of the metallic decor and it doesn't compromise the characteristics of the product.

IRREGULAR GLASS/MOSAIC

(Musiva, Nättūra, Nordic Stone)

Due to the special “hand made” manufacturing process, the glass surface and the colour of the mosaic are never perfectly uniform and homogeneous. Small chips or imperfections on some surfaces are deliberately present and they are a feature of the products.

CRACKLE

(The Traditional Style)

Care should be taken when fixing this material. Don't use anything on the surface of the tiles (marker, ink, etc…) because the stains penetrate the surface of the tiles. After the fixing before grouting: wait for 1 or 2 days for setting up the “crackle glaze” and use a sealing (anti oils and anti water ie: FILA ES82) product. For a better cleaning we advise dry cut, should be a “water” cut anyway used, we highly recommend to clean the surface immediately. Complaints due to a layout careless or fixing mistakes will not be accepted at all. Cleaning instructions: use neutral detergent, not acid (ie: FILACLEANER) or ethyl alcohol.

METAL SURFACES

(Bamboo, Lichen, Musiva, Park Avenue/Place Vendome/Regent Street, Reverse, Vintage)

Manufacturing of this product has been realized with hand crafted procedures and not industrial. Small imperfections, subsidence and ripples of the surface are deliberately present and they are a feature of the product, proving the hand-made manufacturing procedure. The metal effects on the surface may eventually oxidize: ordinary cleaning shall then be done with detergents normal used for glass or with alcohol and paper.

Warning: Use non aggressive (no acids) detergents when cleaning.

CRAFT PRODUCTION

(Antique, Brickart)

Small imperfections, pins or ripples on the surfaces are deliberately present and they are a feature of the products, granting the hand crafted process of the product.

IRREGULAR SURFACE

(Twiga, Koinè 4,5x18,6)

After installation, remove any grout residues using a specific cleaner (e.g., Keranet, Litonet, etc.), carefully following the manufacturer’s instructions. If dirt persists, repeat the process.

FRA • AVVERTISSEMENTS GÉNÉRAUX - Informations, pose, jointoiment et nettoyage

SEMI POLI

(Evoque, Lichen, Matiere, Park Avenue/Place Vendome/Regent Street, Reverse)

Un joint minimum de 2 mm est recommandé pour les produits polis. Nous recommandons la plus grande prudence lors de la manipulation et de la pose des carreaux eux-mêmes, afin de ne pas endommager la surface. Après la pose, immédiatement après le jointoiment, il est recommandé de nettoyer les carreaux et il est conseillé de protéger les surfaces jusqu'à la fin des travaux de construction. Pour le nettoyage, nous vous conseillons d'utiliser des produits au PH neutre sans abrasifs qui pourraient rayer la surface, testés au préalable sur une petite portion. Les détergents appropriés sur le marché portent généralement la description « détergent pour surfaces délicates » et sont utilisés pour le marbre et les pierres naturelles polies. Il est possible d'utiliser des machines de nettoyage des sols à vapeur ou des vadrouilles à vapeur.

MICROPARTICULES METALLIQUES

(Lichen, Park Avenue/Place Vendome/Regent Street, Reverse)

Sur les 3èmes décors métalliques, quelques microparticules métalliques de l'effet moucheté pourraient ne pas être entièrement fusionnées à la surface. Lors des premiers nettoyages quelques particules pourraient être enlevées de la surface mais ceci est tout à fait normal pour ce genre de décor et il ne remet pas en question les caractéristiques du produit.

VERRE EBRECHÉ/MOSAIQUE

(Musiva, Nättūra, Nordic Stone)

Le verre sur la surface est le résultat d'une production artisanale, il est à noter que: Les carreaux et la couleur de la mosaïque ne sont jamais parfaitement uniforme ni homogène. Les petites ébréchures et imperfections, présentes dans quelques carreaux, sont en fait des caractéristiques du produit.

CRAQUELÉE

(The Traditional Style)

Instructions pour la pose du produit: ne pas altérer en surface les carreaux avec des matériaux solides ou liquides (ex : crayon, encre. . .), sinon les marques peuvent pénétrer en profondeur. Après la pose, avant de continuer le stucage: attendre un jour ou deux pour stabiliser au mieux le craquelage et appliquer sur le revêtement un traitement de protection avec un produit huile hydrofuge (FILA ES82) et le laisser agir pendant quelques heures. Pour un meilleur entretien des carreaux, nous vous conseillons de couper à la machine classique et non pas au disque à eau. Il est recommandé de nettoyer le plus rapidement possible le carreau après la pose. Nous n'accepterons aucun litige pour cause d'inattention et de négligence pendant les différentes phases de mise en oeuvre. Pour nettoyer utiliser un détergent neutre, pas acid (p.e. FILACLEANER) ou du alcool éthylique.

SURFACES METALLIQUES

(Bamboo, Lichen, Musiva, Park Avenue/Place Vendome/Regent Street, Reverse, Vintage)

Ce ci est le résultat de un produit artisanal. Il est à noter que : les petites imperfections, ébréchures, point émaillée, présent dans quelques carreaux, sont en fait témoignage d'une production pas-industrielle. La particularité de ces produits ce da son aspect métallisé. L'utilisation des émaux constitués de micro granule en métal, ce qui dote le produit d'un aspect similaire à celui des lames en métal et nous permet d'obtenir un résultat harmonieux, et nuancée (caractéristiques du produit). Pour l'entretien quotidien de la surface, il est conseillé d'utiliser détergents ordinaire qui se trouve dan le commerce pour le miroir ou le verre. MISE EN GARDE: pour le nettoyage, il faut donc utiliser des produits doux, (pas acides), vu que nous sommes devant un émaux métallisé.

FABRICATION ARTISANALE, SURFACE IRRÉGULIÈRE

(Antique, Brickart)

De petites imperfections, creux et ondulations sur la surface sont délibérément présents, constituant une caractéristique spécifique du produit et témoignent de son savoir-faire particulier.

SURFACE IRRÉGULIÈRE

(Twiga, Koinè 4,5x18,6)

Après la pose, éliminez les résidus éventuels de mortier avec un nettoyant spécifique (ex. Keranet, Litonet, etc.), en suivant attentivement les instructions du fabricant. En cas de saleté persistante, répétez l'opération.

AVVERTENZE GENERALI

AVVERTENZE GENERALI

DEU • ALLGEMEINE HINWEISE - Informationen zur Verlegung, Verfugung und Reinigung

ANGESCHLIFFEN

(Evoque, Lichen, Matiere, Park Avenue/Place Vendome/Regent Street, Reverse)

Fuer die polierten Produkte wird eine Mindestfuge von 2 mm empfohlen; hoechste Vorsicht ist beim Umgang und bei der Verlegung dieser Fliesen geboten, um die Oberflaeche nicht zu beschaedigen. Nach der Verlegung, unmittelbar nach der Verfugung sind die Fliesen zu reinigen und es empfiehit sich, die verlegte Flaeche bis zum Ende der Bauarbeiten zu schuetzen. Fuer die Reinigung ist der Gebrauch von PH-neutralen Produkten geboten und auf die Verwendung kratzender Putzmittel ist zu verzichten, um die polierten Oberflaechen nicht zu beschaedigen. Man sollte deshalb zunaechst auf einer kleinen Flaeche den Gebrauch der Reinigungsmaterialien testen. Geeignete Mittel werden in der Regel mit dem Praedikat "fuer empfindliche Oberflaechen" versehen und werden zumeist fuer den Einsatz bei der Reinigung von Marmor und polierten Natursteinen empfohlen. Der Einsatz von elektrischen Dampfreinigern und – besen ist moeglich.

METALLSTAUB

(Lichen, Park Avenue/Place Vendome/Regent Street, Reverse)

Bei den metallenen Dekoren ist der Pulvereffekt zu beruecksichtigen. Bei der Glasur werden mitunter Teile des aufgetragenen Metallpulvers nicht vollstaendig geschmolzen, da die Saettigungsgrenze ueberschritten wurde. Deshalb koennen diese uebrigbleibenden Anteile beim Reinigen geloest werden, was allerdings weder die Beschaffenheit des Dekors beeintraechtigt noch dessen Qualitaet kompromittiert.

UNREGELMAESSIGKEITEN DER GLASOBERFLAECHE/MOSAIK

(Musiva, Nättūra, Nordic Stone)

Infolge der besonderen handwerklichen Bearbeitung der Glasoberflaeche ist diese nicht immer gleichmaessig und einheitlich. Diese Unregelmaessigkeiten, die Tonalitaeten sowie leichten Splitterungen im Kantebereich der Tozetti sind ein Charakteristikum des Produktes.

KRAKELEN

(The Traditional Style)

Achtung! Beachten Sie folgende Hinweise zur Verlegung! Sorgen Sie dafuer, dass die Oberflaeche der Fliesen nicht mit festen oder fluessigen Materialien wie Markern, Tinte, etc. in Berueh rung kommt, damit keine Flecken in diese eindringen koennen. Nach der Verlegung (Kleben) aber vor der Verfugung sollten Sie: ein oder zwei Tage vergehen lassen, damit sich die Krakelée“ stabilisieren kann und die Fliesen zum Schutz vor Verschmutzung mit einer wasserabweisenden Loesung (Parafin oder Aehnlichem FILA ES82) behandeln und anschliessend einige Stunden wirken lassen. Ausserdem empfehlen wie aus sauberkeitstechnischen Gruenden das Trockensscheiden. Beim evtl. Nassscheiden ist unverzueglich und grendlich zu reinigen. Wir weisen ausdruuecklich sarauf hin, dass Reklamationen nicht akzeptiert werdwn koennen, wenn die o.a. Hinweise bei der Verlegung nicht beruecksichtigt wurden! Zur reinigung nur ph-neutrale Mittel benutzen, (Z.B.FILA – CLEANER) keinstarksaurenprodukte oder verdueannten Alkohse.

METALLISCHE OBERFLAECHEN

(Bamboo, Lichen, Musiva, Park Avenue/Place Vendome/Regent Street, Reverse, Vintage)

Die Herstellung dieses Produktes erfolgt ueber handwerkliche Verfahrensweisen und keine industriellen. Kleine Unregelmaessigkeiten und Unebenheiten der Oberflaechen sind bewusst vorhandene Charakteristiken des Produktes und bezeugen eben seine speziell handwerkliche Herkunft. Fliesen mit metallener Optik koennen aufgrund Ihrer besonderen Anfertigung sowie der verwendeten Glasuren eine sichtbare Farbaenderung und Oxidation erfahren, die charakteristisch sind fuer diese Art von Produkten. Zur Reinigung wird empfohlen, sich wie bei einer Glasflaeche zu verhalten: indem man Alkohol und Papier benutzt. In jedem Fall duerfen keine aggressiven (saueurehaltigen) Mittel verwendet werden und der Gebrauch von kratzenden Gegenstaenden ist zu vermeiden.

HANDWERKLICHE HERSTELLUNG

(Antique, Brickart)

Kleine Unregelmaessigkeiten, Unebenheiten und Wellen in der Oberflaeche sind gewollt und bilden einen Teil der Besonderheit des Produktes, indem sie die spezielle handwerkliche Bearbeitung bezeugen.

UNREGELMAßIGE OBERFLAECHEN

(Twiga, Koinè 4,5x18,6)

Entfernen Sie nach der Verlegung eventuelle Fugenreste mit einem speziellen Reiniger (z. B. Keranet, Litonet usw.), indem Sie die Anweisungen des Herstellers sorgfältig befolgen. Bei hartnäckigem Schmutz wiederholen Sie den Vorgang.

RUS • ОБЩИЕ ПРИМЕЧАНИЯ - Информация, укладка, затирка и чистка

i¹ **ЛАППАТИРОВАНИЕ**

(Evoque, Lichen, Matiere, Park Avenue/Place Vendome/Regent Street, Reverse)

Для лаппатированного материала советуем минимальный шов 2 мм; просьба предусматривать максимальные меры предосторожности во время перемещения и укладки плит во избежание их повреждения. После укладки и сразу же после затирки рекомендуется немедленная чистка плит и защита поверхности до завершения на месте произведения работ. Для чистки материала советуем использование нейтральных и неабразивных средств, чтобы не поцарапать поверхность, предварительно проверив средства на небольшом участке поверхности. Подходящие средства обычно имеют описание «чистящее средство для деликатных поверхностей» и используются для мрамора и полированного натурального камня. Возможно использовать поломочные машины на пару или паровые швабры.

i² **МЕТАЛИЗИРОВАННЫЕ НАПЛЕНИЯ**

(Lichen, Park Avenue/Place Vendome/Regent Street, Reverse)

Для металлизированных декоров следует учитывать эффект "напыления". Некоторые маленькие частички блеска могут быть не до конца расплавлены на поверхности. Первичные чистки могут удалить незакрепленные на поверхности частицы. Это является характерной чертой металлизированных декоров и не компроментирует свойств изделия.

i³ **НЕРЕГУЛЯРНОСТЬ СТЕКЛЯННОЙ ПОВЕРХНОСТИ/ МОЗАИКА**

(Musiva, Nättûra, Nordic Stone)

Вследствие особого ручного производственного процесса стеклянная поверхность и цвет мозаики никогда не являются абсолютно одинаковыми и идеально ровными. Маленькие царапины или другие присутствующие неточности на некоторых поверхностях намеренно присутствуют и являются частью характеристики продукта.

i⁴ **КРАКЕЛЮР**

(The Traditional Style)

Инструкции по укладке. Не пачкать поверхность плитки, используя твердые или жидкие материалы (например фломастеры, чернила...), поскольку пятна могут проникать в глубину. После укладки, прежде чем начать оштукатуривание, следует: подождать один или несколько дней, чтобы стабилизировалось стекло "сгаçuéé" подвергнуть изделие защитной обработке с помощью масло- и водоотталкивающего средства, оставляя действовать на несколько часов. Рекомендуем резку сухим способом из соображений чистоты. При гидрорезке рекомендуется немедленная и эффективная чистка. Претензии, вызванные недостатком внимания при укладке, не будут приняты. Для чистки использовать нейтральное чистящее средство (например FILACLEANER) или этиловый спирт.

i⁵ **МЕТАЛИЗИРОВАННЫЕ ПОВЕРХНОСТИ**

(Bamboo, Lichen, Musiva, Park Avenue/Place Vendome/Regent Street, Reverse, Vintage)

Производство этого продукта была выполнена ремесленным, а не промышленным способом. Маленькие неточности, впадины и складки поверхности намеренно присутствуют, являясь особой характеристикой продукта, и свидетельствуют об его ремесленном способе производства. Учитывая особенности обработки и используемую глазурь, металлизированный фон может представлять эффект окисления и изменения оттенка, что является особенностью изделия. Для его чистки следует использовать спирт и бумагу, как для нормальной поверхности из стекла.Внимание: для чистки пола использовать неагрессивные чистящие средства (некислотные), из-за наличия металлизированной глазури.

i⁶ **ИЗДЕЛИЯ РУЧНОГО ИЗГОТОВЛЕНИЯ**

(Antique, Brickart)

Маленькие неточности, впадины и складки поверхности намеренно присутствуют, являясь особой характеристикой продукта, и свидетельствуют об его особом ремесленном способе производства.

i⁷ **НЕРОВНЫЕ ПОВЕРХНОСТИ**

(Twiga, Koinè 4,5x18,6)

После укладки удалите остатки затирки с помощью специального очистителя (например, Keranet, Litonet и др.), внимательно следуя инструкциям производителя. При стойких загрязнениях повторите процедуру.

ITA • Note generali di

p¹ **BRICKS**

(Allure, Antique, Brickart, Karma, Inciso, Pulse, Oxida, Riga Small, Skyline Matiere, Swing, Vibrant)

Si raccomanda una posa a correre. Fuga minima consigliata: 2mm

p² **LISTONI**

(Plank, Bamboo, Wooddesign)

Si raccomanda una posa a correre (20/80 o 30/70)

p³ **MODULARI NON RETTIFICATI**

(Azteca, Proxi)

Fuga consigliata: 3,5-5 mm

p⁴ **RETTIFICATI**

Fuga minima consigliata: 2 mm

p⁵ **ALTRI PRODOTTI NON RETTIFICATI**

Fuga consigliata: 2-3 mm

ENG • General notes for

installation and joint

p¹ **BRICKS**

(Allure, Antique, Brickart, Karma, Inciso, Pulse, Oxida, Riga Small, Skyline Matiere, Swing, Vibrant)

A staggered installation is recommended, with a minimum joint width of 2 mm

p² **PLANKS**

(Plank, Bamboo, Wooddesign)

A staggered installation is recommended (20/80 or 30/70)

p³ **NON-RECTIFIED MODULAR**

(Azteca, Proxi)

The recommended joint distance is 3.5 to 5 mm

p⁴ **RECTIFIED**

Recommended minimum joint: 2 mm

p⁵ **OTHER NON-RECTIFIED PRODUCTS**

Recommended joint is between 2 and 3 mm
